POPCORNERS® Caramel Apple Nachos

Ingredients

- 2 cups SEA SALT
- 2/3 cup granulated sugar
- 1 tbsp corn syrup
- 1/2 cup heavy or whipping (35%) cream, divided (at room temperature)
- 1 tbsp butter
- 1 tsp vanilla extract
- Pinch sea salt
- 1/2 cup semi-sweet chocolate chips
- 2 tsp coconut oil
- 3 Honeycrisp apples
- 2 tbsp freshly squeezed lemon juice
- 1/3 cup pomegranate seeds

How to make it

- Add sugar and corn syrup to medium heavybottomed saucepan set over medium heat. Without stirring, cook for 8 to 12 minutes or until sugar is melted and mixture is uniformly golden brown. If sugar is browning unevenly, gently swirl pan.
- Carefully pour in 1/4 cup cream (cream will bubble vigorously when added). Whisk slowly until blended. Bring back to a boil, stirring occasionally for 2 to 3 minutes or until thickened slightly.
- Remove caramel from heat. Add butter, vanilla and sea salt. Let cool completely or serve warm. Caramel will thicken as it cools.
- In microwave-safe bowl, stir together chocolate chips, remaining cream and coconut oil. Microwave on MEDIUM, stirring every 30 seconds, for 1 to 2 minutes or until smooth and melted.

Made with

SEA SALT

- Core and thinly slice apples. Toss with lemon juice to prevent browning. Lightly crush POPCORNERS® Sea Salt in a resealable bag using rolling pin.
- 6. Arrange half the apples on serving dish, and layer with half the caramel, half the chocolate mixture and half the crushed POPCORNERS® Sea Salt. Repeat layers 1 more time, ending with POPCORNERS® Sea Salt and pomegranate seeds. Serve with remaining caramel and chocolate sauce on the side.
