

Purrfect Popcorn Balls

Ingredients

- 1 ¾ cups mini marshmallows
- 1 cup caramel bits
- A pinch of salt
- 7 cups CHEETOS® Cheddar Popcorn Flavored Snacks
- 2 ½ cups CHEETOS® Crunchy Cheese Flavored Snacks

How to make it

1. In a large saucepot, let your marshmallows, caramel bits and salt get all melty over medium-low heat.
2. Remove your marshmallow mixture from the heat and add in the CHEETOS® Cheddar Popcorn and CHEETOS® Crunchy. Give it a good stir to make sure everything gets coated.
3. Don't burn your paws! Let the mixture cool slightly before coating your hands in butter and shaping it into baseball-sized balls.
4. Once they're cool, wrap 'em up and watch 'em disappear!
